Dear Professor Lustri,

Emerald Literati Network 2008 Awards for Excellence

Every year Emerald invites each journal's Editorial Team to nominate what they believe has been that title's Outstanding Paper and up to three Highly Commended Papers from the previous 12 months. Your paper entitled "**Knowledge management model: Practical application for competency development**", published in **The Learning Organization: An International Journal** has been included among these and I am pleased to inform you that your article has been chosen as a Highly Commended Paper at the Literati Network Awards for Excellence 2008.

The award winning papers are chosen following consultation amongst the journal's editorial team, many of whom are eminent academics or managers. Your paper has been selected as it was one of the most impressive pieces of work the team has seen throughout 2007.

Details of the Awards for Excellence can be found at the following site:

Please note that we will be adding details of the Highly Commended Award Winners shortly and when we do, your article will be freely available here for six weeks.

If you have any questions about your award please contact me, Ruth Heppenstall at rheppenstall@emeraldinsight.com

Once again, thank you for writing for an Emerald journal and congratulations on your success!

Kind regards,

R. E. Heppenstall.
